

Our family businesses are moving under one roof!

We are delighted to inform you that the two family-owned companies Make AG and Bohrbüchsen AG will in future operate jointly under the name MAKE AG. With our relocation to Münsingen, we are joining forces to create a center of excellence for precision mechanics – delivering the highest quality, precision and reliability.

- New address: MAKE AG, Buchliweg 12, 3110 Münsingen
- Make AG and Bohrbüchsen AG become one – MAKE
- Facts: Total of 55 employees, 1,500 m² production area and 700 m² office space
- Our services remain unchanged: turning, hardening and grinding – for perfect precision!
- Your current contacts remain the same
- We are moving together with our sister company Derap AG (Engineering & Design)
- Date: January 2026

Further details regarding the exact moving date, telephone numbers, bank details, e-mail addresses and similar topics will be provided in December.

For any questions, feel free to reach us anytime at info@make-ag.ch or +41 33 439 80 80.

We look forward to welcoming you to our new home in Münsingen from January 2026.

Yours sincerely,
